THE BEAUTY IS IN ITS SIMPLICITY

ALL OF TODAYS POPULAR ENTERTAINMENT IN ONE COMPLETE SYSTEM!

At the heart of IntelliControl® ICS is the GXR2 Modular Multizone Receiver - the first with interchangeable tuner modules for satellite radio and iPod®. The receiver accommodates up to six modules and, with additional GXR2s, is expandable up to 30 zones. With these modules you'll relish listening to music or radio programs from all the latest sources. With the simple push of a button, you can listen to any of today's popular sources like iPod®, XM® and Sirius® satellite radio, AM/FM radio, or legacy audio sources such as cable radio, CDs and music DVDs. With our IntelliControl ICS Modular Multizone Receiver, it's simple to customize your system or expand an audio entertainment center for your entire family. Experience IntelliControl ICS, and see how easy it is to get a front row seat - in every room.

INTUITIVE CONTROL FOR EASY NAVIGATION

Making music selections is now easier than ever. Our wall-mounted keypad systems and handheld remotes provide one-touch button control of your whole-house audio system. Just walk up to any IntelliControl® ICS keypad or color touch screen, and instantly select your music or favorite radio show. Additionally the wall-mounted keypads are available in a wide range of colors to blend with any décor or room style. Our unique iRemote® takes a quantum leap in simplifying how you can control audio throughout your home. This two-way wireless handheld RF device delivers complete zone-by-zone and system-wide control of your home audio entertainment system. The iRemote shows your favorite songs and audio sources on a brightly-lit, 2-inch LCD display for ease of use. With one press of the button, you can turn off all zones from your bed at night. Or turn down the volume in a child's room from anywhere. When you Experience ICS, all the music everywhere is at your fingertips.
